

ATA LEGENDS MARTIAL ARTS & GEDMAN'S BLACK BELT ACADEMY

Our schools are honored to co-host our first "ATA Strong" Class B Regional Tournament. The "Strength In Unity" themed tournament is being held at a new and exciting venue for our region - iPlay America in Freehold, NJ. The facility houses 20 fully matted 15'x15' competition rings, vendor tables, entertainment for children and adults, and an indoor food court in a 20,000 square foot event center.

Our goal is to provide the best tournament experience for all competitors, spectators, judges and special guests in a conveniently located, state of the art facility; while providing families with a place to have some family fun before and after they compete.

We expect over 500 competitors including Masters, Senior Masters and special guest Chief Master Raimondi of Region 110A.

This tournament will benefit the H.U. Lee Memorial Scholarship Foundation, which supports ATA students attending college with national and regional scholarships.

Thank you for all of your continued support of our organization and thank you in advance for making this a successful and exciting tournament.

Respectfully,

Ms. Pamela Gedman
